

DID YOU KNOW?

FREEDOMATLANTIC

The average cyberattack takes **280 DAYS** to be contained and could cost your company an average **\$3.86 MILLION**

WE OFFER CYBERSECURITY SERVICES

- IT Business Strategy & Planning Support
- IT Governance
- Change Management & Facility Support
- CMMI Process Development and Assessment Services
- Cybersecurity Assessment: Social Engineering and Penetration Testing
- Cybersecurity Awareness Training

The single greatest cybersecurity threat to a business is employees, not sophisticated cybercriminals. Phishing is one of the most commonly used methods to gain access to your company's data. Freedom Atlantic pairs realistic social engineering campaigns with short- and long-term security awareness training. Together we can prepare and secure your team.
